

Dear Friends, Businesses, and Supporters,

The Oaks Classical Christian Academy is pleased to announce our Annual Benefit Auction will be held on Friday, March 1, 2019, at the Historic Davenport in downtown Spokane. The auction is one of the school's largest fundraisers and directly benefits not only the students and faculty at The Oaks, but also the Spokane community as our graduates are trained to engage and shape culture for the glory of Christ.

The Oaks is a private K-12 school in Spokane Valley which began in 1996 with 33 students. Over the last 23 years, the Lord has blessed The Oaks with many additional families and staff members, bringing our current enrollment to 333, each year graduating more students who are equipped to shine the light of Christ's truth even brighter in and beyond the Spokane community. In order to continue the work God has set before us, The Oaks is trusting the Lord to provide in many ways, three of which are the focus of this year's auction:

**Growth:** accommodating the growing student body in such a way that will support current and future facilities costs.

**Impact:** enhancing education within the classrooms to better support faculty and staff as they equip your children to shine the light of Christ's truth in their community.

**Opportunity:** providing assistance through scholarships that will continue to make The Oaks financially accessible for families.

Your partnership as we prepare for the auction would be greatly appreciated. We are a 501(c)(3) non-profit organization, and any material or cash-donations to The Oaks would be tax-deductible to you (some service donations could also be tax-deductible; you would need to ask your accountant) (Oaks Education Association, Tax ID #91-1740296).

Thank you for considering this invitation to deepen the impact of Christian education in the Spokane community.

Sincerely,

Charlie Dowers  
Headmaster
