Thank you for attending The Oaks 2019 Benefit Auction. We hope that you enjoy perusing this year's catalog. We are looking forward to a beautiful and enjoyable evening supporting The Oaks!

This year's auction has a three-fold target to help deepen the influence of The Oaks in and beyond the Spokane community. This evening is a way for you to partner with the school to help enhance the work the school is doing daily. The aim of this year's auction is to raise funds that will continue the work that God has started in the following ways:

**Growth:** accommodating the growing student body in such a way that will support current and future facilities costs.

**Impact:** enhancing education within the classrooms to better support faculty and staff as they equip students to shine the light of Christ's truth in the community.

**Opportunity:** providing assistance through scholarships that will continue to make The Oaks financially accessible for families.

The Oaks depends on financial help from events like the auction to continue to provide an education that will help train children in truth. Your ticket price has covered all expenses for the evening, so every dollar raised tonight will go directly to The Oaks. We pray that God would be honored as we continue to pursue Him in all we do as a school. Thank you for your support and commitment.

## EXPLANATION OF GAMES & SPECIAL PROGRAMS

### **GIFT CARD BINGO:**

Spin the Bingo cage and find out which mystery gift card you will win. Each spin costs \$20 and you will receive a golden mystery envelope. Each envelope contains a gift card valued between \$20 and \$100. You may take your envelope with you as soon as you receive it.

### **MYSTERY WINE PULL:**

Don't miss out on the mystery wine pull! Buy a cork for \$25 and get a bottle of wine ranging from \$15 up to \$125 in value. Unveil the mystery at the end of the night. Cheers!

### **DESSERT AUCTION:**

The Live Auction will begin with our Dessert Auction. Several local bakers have generously donated desserts for the evening; however, there are not enough for every table. If you want to enjoy dessert at your table this evening, you will have to be the highest bidder!

### **HEADS OR TAILS CASH JACKPOT:**

During the silent auction, secondary students will be selling green and gold beads for \$10 a piece. Each set of beads gives you another opportunity to play. There is a maximum of 2 plays per person, but couples are welcome to buy 2 each, and you are welcome to buy beads for other guests. Then, just before the Dessert Auction, you will have the opportunity to participate in the Heads or Tails game.

Here's how you play—give your bidder number to the secondary students walking around with the gold and green beads. During the game, you will place your hands on your head or your tail. A coin will be flipped. If it is heads, all with their hands on their heads will remain standing, and vice versa. This continues until the last one is standing. The prize will be a special Cash Jackpot of \$250. Be sure to listen for details throughout the evening. The fun of playing is worth the \$10 price, but the \$250 cash prize certainly sweetens the deal!

### **RAISE YOUR PADDLE:**

During the Live Auction, there will be an opportunity to help The Oaks raise money specifically for tuition assistance through scholarships that help make The Oaks financially accessible for families. Raise Your Paddle bid increments will be \$1,000, \$500, \$250, \$100, and \$50. Thank you in advance for donating to our financial aid fund and deepening the impact that The Oaks can make in our community.

### **SILENT AUCTION:**

- \* The silent auctions will close in sequential order. Closings will be announced by the auctioneer. All bidding is over at the announcement of closing; no more writing is allowed.

### **LIVE AUCTION:**

- \* Live auction bidding will begin following dinner and continues until all items have been auctioned. Items will be displayed for viewing throughout the evening.
- \* To bid, raise your bid number high so it can be easily seen. Once the auctioneer acknowledges it, lower it until you wish to bid again.
- \* Bidding order of Live Auction items is subject to change after publication of the catalog.

### **ITEM PICK UP:**

- \* All items will need to be picked up at the conclusion of the live auction. If you have a credit card on file you are welcome to skip the check out line and head straight to the Item Pick-Up area. Secondary students will have your items ready for you.

## ROSE BACKS, CAI AUCTIONEER

Rose Backs first began working in the auction industry in 1997. A few years later, Rose decided to take her auction career to the next level and attended the Reppert School of Auctioneering in Auburn, IN, graduating third in her class. Shortly thereafter, she won the Idaho State Rookie Auctioneer contest. In 2009, Mrs. Backs was the Idaho State Champion Auctioneer and in 2010 was named the Northwest Champion Auctioneer. She is the first and only woman to win the award. The IAC is the largest competition of its kind and is open to auctioneers throughout the world.

Rose's passion within the auction world lies with nonprofit and charitable organizations. Her love for charity auctions shows as she enjoys the opportunity to do something that benefits others.

"There are very few things at the end of the day that make you feel like you've really made a difference."
